

WOLF TRAX® 56.5% COPPER DDP®

Guaranteed Analysis

Copper (Cu)..... 56.5%

Derived from: Copper Oxide and Copper Sulfate Pentahydrate

DIRECTIONS FOR USE:

A micronutrient product designed to aid in crop establishment and plant growth.

Coating on Fertilizer Blends – This product is used as a coating on all dry fertilizer blends. Application rates and timings should be based on soil and/or tissue tests, as well as recommendations from a professional agricultural consultant. Retention levels of WOLF TRAX nutrients on dry fertilizer blends will vary. Factors affecting the retention level include the quality of the dry fertilizer, the level of dust within the dry fertilizer and the presence of liquid additives. As a general guideline, the retention rates of WOLF TRAX nutrients on many common dry fertilizer blends range from 0.3% to 0.8% by weight. Liquid additives may increase the retention of WOLF TRAX nutrients. To determine the coating capacity of WOLF TRAX nutrients on your dry fertilizer blends, always use a blend test, and if questions persist, consult a Koch Agronomic Services representative. Wear a dust mask and handle product in well-ventilated area.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

WARNING

Hazard Statement: May form combustible dust concentrations in air. Harmful if swallowed. Causes skin irritation. Causes serious eye irritation.

Precautionary Statement: Prevent dust accumulation to minimize explosion hazard. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Avoid release to the environment. Wear eye protection/face protection. Wear protective gloves. Observe good industrial hygiene practices. If swallowed: Call a poison center/doctor if you feel unwell. Rinse mouth. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation occurs: Get medical advice/attention. If eye irritation persists: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. In case of fire: Use appropriate media to extinguish. Collect spillage. Store away from incompatible materials. Dispose of contents/container in accordance with local/regional/national/international regulations.

KEEP OUT OF REACH OF CHILDREN

WARNING: This product contains naphthalene, a chemical known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.
